## Twin Peak's Cruise - Jamie Chaney, Host

We had a great turn out for Twin Peaks on June 11th, enjoyed by 39 members and guests. Despite the rain in the AM and the hot, humid air after, we had 21 corvettes. A 50/50 pot was collected of \$126 with the winner of \$63 being Mike & Katrina Hannah. The winner of "Peaks Choice", a \$25 Twin Peaks gift card, was Jason Wellner, with his '62 Almond Beige Convertible. All are new members! More paper and cleaning goods were also collected for St. Michael's.

### **BNSF Railway Shops Tour – Topeka, KS**

On June 14, Jeff Moss led a caravan of 22-cars (19-Vettes) to Topeka to tour BNSF's Business Car and Locomotive Overhaul Facilities. A slight rain did not dampen our spirits as we enjoyed the twists and turns of highway 40 between Lawrence and Topeka. Many thanks to the BNSF associates who took great care of us during the enjoyable tour. We concluded the trip with dinner at Jason's Deli, once back in Lawrence. Thanks to Jeff for setting up a tour of his old workplace. I think that many of the guys were jealous as they never got to play with trains this large before, and you were getting paid for it!

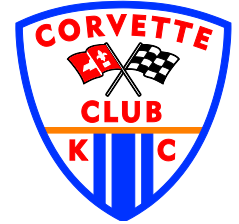

### **6/24 Culver's Cruise**

Sinklars hit it out of the park again with another very successful Wednesday night cruise to Culvers. If you're not coming to these, you are missing out on a great opportunity to socialize while enjoying great deals on food.

### **Obituary for Kathleen Ann (Starkey) Mosher**

Wife of Fritz Mosher, one of our newer members, passed away on June 24. Visitation from 6 to 8 PM on Wednesday, July 1, at Porter Funeral Home 8535 Monrovia, Lenexa. Mass on Thursday, July 2, at 10:30 AM at Holy Trinity Catholic Church, 13615 W. 92nd St., Lenexa.

## CCKC June, 2015 Meeting Minutes

On Wednesday June 17, 2015, at 7:00 PM, the CCKC meeting held at Uncle Buck's/Bass Pro was called to order by **President Jim Cahill**. There were approximately 67 people in attendance.

Jim explained the change in food orders; as the meeting room is available at 5:00 PM, food order service will end at 6:30 so as to allow adequate time for preparation and serving of food prior to our 7:00 meeting. Your food bill will be delivered with your food order and should be closed out prior to the meeting to provide a quiet listening environment.

Jim thanked all present for support of the Hendrick car show. He reiterated that the club needs its members to register their cars and work the show. He reminded us that the registration fees from car shows goes toward the operations of CCKC. He said the show was a success; we made money and have a contribution for the club charity, St. Michael's Veterans Center.

Executive Committee (EC) meeting: Jim advised the CCKC EC met the prior week and discussed the Hendrick show; the good, the bad, and the ugly. He reminded us we tried different things at this show.

He advised the EC also discussed the interests of the club, he had received comments about distractions during the meetings and decided to try cutting off food orders at 6:30.

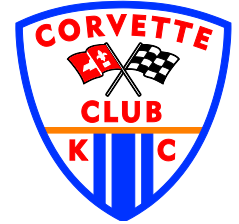

Jim discussed the upcoming Zona Rosa show noting we are a social club but we spend a great deal of time detailing our cars for the show and that takes away from the opportunity to socialize. It was decided to offer the option of a lower

registration fee of \$15 if you want to come out and enjoy the show without having your car judged. While the registration fee is lower, the idea of simply displaying your car may attract more registrants. He noted the COR show, which member Joe Campbell is involved in and has had this option for some time; Joe advised approximately 30% of their registrations are "display only" registrations. Discussion ensued about whether someone who pays for "display only" registration could put a "for sale" sign in their car, thereby allowing our show to be a venue for selling their car; it was decided that would be allowed at the Zona Rosa venue as it is not on dealership property.

Jim advised there was discussion of the standardization of event flyers for publication on the club's website. The EC developed a policy; **Cynthia Sdano** will be the point person to approve event flyers for publication on the club's website.

Raffle: **Gene Sinkler** advised there were a couple of items left over from the Hendrick show which will be utilized in the meeting raffle. This month's items included: \$25 cash, Joe's Crab Shack \$10 certificate, Dining discounts (buy 1 get 1 free) from Grinders and Haywards, a \$25 meal ticket from Uncle Buck's, and two bottles of KC Masterpiece BBQ sauce. We collected \$179 from the raffle.

Gene also updated us on logo clothing; it takes approximately 3-weeks for an order. Forms for the ordering of clothing are on the website.

There was no representative from Hendrick, (CCKC's sponsor) in attendance. Jim Cahill advised Hendrick had approached him and suggested if ordering/purchasing a car from Hendrick if you have an issue you should ensure all means to resolve your issues are attempted prior to completing and returning the GM survey; anything less than 100% satisfaction impacts Hendrick and in turn is a reflection of the club.

Jim reminded us as club members we receive a discount on service, but you must mention it up front.

Hagerty Insurance: We had an informational presentation from Nicole of Hagerty Insurance. Nicole advised they are family owned and a collector car company insuring over one million cars! She brought several items which were given away during her presentation, including key chains, air fresheners, and a price guide valuation booklet. She presented information on Hagerty and how their policy, which contains a guaranteed or agreed value clause could be something to look into as owners of corvettes, which are collector cars. She advised most regular insurance policies only pay actual cash value; and with actual cash value you could be highly disappointed in the event of a loss.

**Treasurer: Jim Juliff** advised we are ahead of budget for the month and for the year. Hendrick car show; we had 82 registrations; approximately 30% of the cars were not judged and 52 of the registrations were club members. Income: net registration: \$1406, net fundraising activities for the club charity: \$1060 (50/50, raffle, auction and bean bag toss). There was discussion of the club budget for our charity; the

club's goal is to raise \$5K. Jim advised we are slightly behind on charity fundraising.

Cynthia Sdano announced the Route 66 quilt will be carried over to the Zona Rosa show; 100 tickets were allotted and she has 58 more to sell.

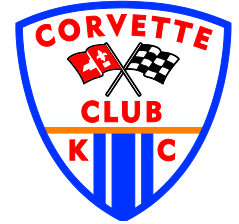

Jamie Chaney inquired if those things done at an event, i.e. charging \$5 for the Twin Peaks event, are considered above and beyond the \$5k target donation for the club charity; it was discussed that the club's goal is to raise \$5K for charity, which is a budget and not a firm requirement. It is a goal based on what we project to raise from raffles, the quilt, car show auctions, and all of the club charity fundraising activities.

**Membership: Vicki Sinkler** announced the club received 11 new members as a result of the Hendrick car show; this brings the CCKC membership to 185 members. New members in attendance at this meeting included: Fritz Mosher, Bruce Ziegler, Mike Hannah and Bob Rafie. She announced we have acquired a total of 29 members via Hendrick's for 2014 and 2015. A membership directory was passed around for members to verify their information and an updated membership directory will be disbursed to members in the near future.

**Secretary: Linda Downing** obtained approval of the May 2015 meeting minutes as published in the Hi Beams.

**National Corvette Museum (NCM): Adam Hoehn** announced the Skydome is scheduled to open July 1, with a grand opening at the Labor Day event. Restoration of the

millionth car (a white 1992 convertible) is underway; you can see the progress on U-tube. The car will also make its debut on Labor Day. They are also overseeing restoration of a 1962 corvette, which is being done at a local restoration shop in Bowling Green. Registration is open for NCM's 21st anniversary celebration which will be September 3-5, 2015, during which Rick Hendrick will be inducted into the National Corvette Museum Hall of Fame.

**Activities:** **Cynthia Sdano** summarized our past events; May 27 Culver's cruise; there were 40 corvettes, she thanked Vicki Sinkler for organizing this cruise. June 7 was the Hendrick car show; she thanked Chuck Levenson and Kate for all of their work on the Hendrick car show. June 11 was the Twin Peak's event; she thanked Jamie Chaney for organizing this event.
