**May Events:****Corvettes Cruise to Squirrel Cage, Penney's and Ninja Moose**

On a chilly but sunny May 14, Lee and Janice Burkhead led a group of 29 people and 17 cars for CCKC's first open-road Corvette cruise of the season. The Corvetters hit the road from the Argosy Casino in Riverside, and traveled north to their first stop: the Squirrel Cage Jail in Gallatin, Missouri. The jail is one of only three remaining rotary jails in the country. Our tour guide, Trudi Burton, led us through the unheated and uncooled men's and women's quarters of the jail, noting that temperatures ranged from well below zero in the winter to 120 degrees in the summer inside the jail. Most members agreed that seeing the harsh conditions in which prisoners lived should be a good deterrent to a life of crime.

Following the jail tour, the Corvette group moved on to the J.C. Penney Museum in Hamilton, Missouri. Caretakers Barry and Kathy Mathia kept the museum open later than usual for our group, providing information about Mr. Penney and the museum. Barry and Kathy also brought their own Corvette to join us for part of the cruise.

After enjoying the museum, a number of club members visited several of the many quilt shops on Hamilton's Main Street, and eventually the entire CCKC group found their way to our next tour stop, the Ninja Moose Brewery. Ninja Moose owner Scott Folke graciously welcomed CCKC members and guests to try his selection of microbrews. While at the brewery, club members dined on delicious Hank and Tank's BBQ, which was catered in by Hank and Tank's owner, Lowell Henry.

When we left the Ninja Moose, Barry and Kathy led our caravan to see J.C. Penney's personal 1947 Cadillac, which is owned by Kathy's father, Dean Hales, in Hamilton. Dean purchased the car from Penney 50 years ago, and says he often has visitors come by to see it. Dean says he still drives the vehicle.

On leaving Hamilton, some members opted to take the quick highway route back to Kansas City, while others chose to join the caravan through some winding and hilly back-roads – a slower journey, but much more scenic.

First Culver's Cruise of 2016

Thirty-four club members brought 19 Corvettes to the first Culver's Cruise of 2016 on May 24th. Henry Ninstil and Bob Henn are sponsoring the cruises on the fourth Tuesday of each month through September. Henry reports that the club gained a new member during this first of the season cruise.

**Non-Club Events –**

At the KCCA Hendrick Chevrolet Corvette show on May 1st club member Jim Warren took Best in Class for C7's and member Frank Papish took 2nd place for C6's.

May Minutes:

On Wednesday, May 18, 2016 at 7:00 p.m., the CCKC meeting was called to order by Vice President Steve Garrett, as the President Jim Cahill was out of town. Steve talked about the items for the raffle. He mentioned the link for new Corvette apparel can be found on the CCKC website, if you want to place an order. He also encouraged club members to register for the Hendrick Show on June 5. The owner of KC Trends, Chad Dearth, is the guest speaker after the business meeting.

Secretary: Carol Schwartz thanked the club for their expressions of sympathy in the death of her mom. She obtained approval of the April 2016 minutes as published in the Hi-Beams.

NCM Ambassador: Adam Hoehn asked the club about hanging a club banner at the Museum parking lot. It costs \$500 a year. A motion was made to purchase a club flag for the year; seconded. Majority approved. He also reminded everyone of the website: smile.amazon.com. He mentioned it's \$250 a year for a club membership to the NCM. There was a question that the NCM magazine had reported that CCKC donated \$2000 last year. Several people were going to check this out as we had not made this donation.

Treasurer: John Southerland reported that cash receipts for the month were \$516 with no disbursements. Registrations are coming in for the Hendrick Show. Treasurer report was seconded and approved.

Activities: Kathy Denning gave a recap on some past activities: non-club "Dick and Judy Cruises", and the Lonestar Corvette show in Fort Worth, TX, from May 20-22. Check the CCKC website for flyers of future events. Sign-up sheets and flyers are available at the meetings or you can contact the sponsor of the event. If you don't receive Kathy's emails about upcoming events, call her.

Hendrick Show: Chuck Levenson said they need members to bring their favorite baked goods for the bake sale! He also said they need more members to register for the Hendrick Show, it's \$5 less if you register before the day of the show. They need help from members for the set-up on Saturday and the silent auction. Also 2 people for registration, which is the Treasurer and Secretary, John and Carol, as long as Carol doesn't have to walk much!!! (I'm just saying I can help, but can't sell raffle tickets or anything). The awards for the show are being custom made!

December CCKC Gala Event: New event coordinators are Patti Norris, Chris Shinnars, Janice Burkhead, Eileen Benskin, and Linda Downing. Thanks for volunteering to do this because it is such a special event at a special time for the club!

Membership: Chris Shinnars gave a synopsis of the results of the Discovery Survey (a written synopsis is included in this issue of Hi-Beams and will follow the minutes). There are 191 members as of this date. Three guests were present and joined the club: Kyle Burris, Marty Tidings, and John and Donna Stevenson.

Old Business: None.

New Business: Dianne Keith explained her travel company (Keith Travel Solutions, LLC) has partnered with Norwegian Cruise Lines and CCKC to sponsor a raffle for a cruise to the Bahamas. For a \$10 raffle ticket you can win a \$1000 upgradeable cruise for two in an ocean view cabin. She and Gwen will have tickets available and our club meetings and shows. If interested given either one a call. All tickets sold in excess of 50, the proceeds will go to our charity. The \$1000 cruise is from our ticket sales and \$500 from Norwegian/Keith Travel.

The guest speaker, Chad Dearth, KC Trends gave a presentation about how they can service Corvettes (i.e. tires, wheels, window tinting). He suggested to come see them and check out their events on their website. They are known for the best car customizing service. The website for KC Trends is: <http://www.kctrends.com/>.

Before the raffle started, Barb Kearns explained her law firm was donating 4 passes to the Speedway to drive your car. It was arranged to be a donation to our charity. The net raffle ticket sales were at \$174 and Barb's raffle resulted in an additional \$80 for charity, a total of \$254.

After the raffle, the meeting adjourned at 8:33 p.m.

Respectfully submitted,

Carol Schwartz
Secretary

Discovery Survey Summary:

We created the 2016 Discovery Survey for many reasons - primarily to ensure our ladder was against the right wall.....that we were progressing and not digressing. Survey invitations were sent to **all active members of record**. We received a response rate of approximately 60%. Names of survey respondents will remain anonymous.

After reviewing the survey results, there are 5 important areas that need improvement based on **membership feedback** :

#1. Leadership Issues

a.) Successful clubs have positive, passionate, strong leaders who need to be willing to:

- Answer all member questions and concerns
- Listen to new ideas and be prepared to act on them
- Be open to others getting involved in problem solving
- Share knowledge
- Gather input from members on a regular basis

b.) CCKC Leaders must have a comprehensive understanding of Roberts Rules of order and how they are applied. Members need to be confident that at each CCKC meeting, EC Leaders will ensure that:

- Discussions will be conducted according to the rules
- Members will be treated with dignity and respect at all times

c.) Confidential Source

The CCKC Leadership needs to make sure that any member who requires a confidential meeting to discuss sensitive issues can do so. We need to make absolutely sure that we take member concerns seriously and that we will work hard to find solutions, including:

- Identifying individuals who are currently dissatisfied within the club.
- Creating a process for disgruntled members to discuss concerns and areas of dissatisfaction
- Meeting on member terms and follow through with possible additional recommendations and solutions

#2. Members want more FUN!

People typically join a club because they think it can add value to their lives, either for personal reasons or business career. They will continue to be members as long as:

- The perceived value is there
- That club leaders are positive,

- That people are willing to share knowledge, answer questions and listen to new ideas.

Corvette owners are united by the car. CCKC and our Club Members, both men and women, need to work together and get involved in recommending and volunteering to plan:

- Social events
- Destinations trips
- Road rallies
- Flash cruises
- Spending time with each other in a learning environment

We need to continue to provide activities that are interesting, fun and educational **so that the Club is a key part of the enjoyment of owning and driving a Corvette.**

#3. Educational Enhancements

Our members are very excited about the changes in our meeting structure... changes that are more in line with what Steve Garrett has initiated this year.

CCKC Members want:

- Guest speakers and subject matter experts related to the corvette industry
- DIY diagnostic car care
- Getting their questions answered from top rated mechanics

- Feedback on the latest car products and services
- Clearer understanding of new Corvette tech talk
- Corvette best practices
- Training in Corvette judging
- Buying and selling Corvettes
- Getting your Corvette "car show ready".

- Attend car shows for new member possibilities
- Follow up on all membership correspondence
- Reward and recognize member achievements
- Initiate the Spotlight Program. Select members from our own club to discuss areas of Corvette expertise and have them discuss their own experiences.

#4. Volunteer Coordinator

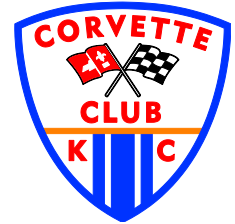

A "Volunteer Coordinator" position needs to be established to train a pool of volunteers for internal Club events, monthly meetings, car shows, flash cruises, and any other sanctioned CCKC events. This would allow everyone to be mentored by a single source, become part of a strategic team and be able to choose the type of projects each individual would enjoy. Particularly those projects that would be sensitive to the time volunteers have to spare.

The Volunteer Coordinator could also recruit and train "in house" CCKC representatives (from men & women members) who would ensure that every member feels welcome and an integral part of the Club during all CCKC monthly meetings, car shows, events, etc.

Again, these are the top five initiatives that are most important to the CCKC membership according to those who responded to the Discovery Survey. The EC will actively participate in the evaluation of each initiative to determine a starting point and master plan. We appreciate your concerns and look forward to making the necessary improvements that will make a big difference in the way we conduct our business and ensure that the Corvette Club of Kansas City remains the strong and prosperous.

#5. Membership Retention & Loyalty

- Stay focused on controlled growth.
- Add 10 to 15 new members per quarter

Tech Talk/News – Chuck Levenson:

Emergency hood release cables can be purchased for C3, C4 and C5 Generation corvettes and are an economical modification if ever needed. You can easily fashion cables for C3's/C4's yourself using braided wire and chinch type ferrules or loop clamps to form the loop and a cable stop at the latch ends that can either be a cinch fit or screw type. Stainless steel wire is recommended to avoid issues with oxidation.

C2 Production Data¹

Year	Production	Notes
1963	21513	Second generation (C2) begins; new coupe body style introduced (only year for split rear window); coupe more expensive than convertible.
1964	22229	Rear backlite windows of coupe changed to single pane window; hood louvers deleted.
1965	23564	396 cu in (6.49 L) Big-Block V8 added; last year of fuel injected engine option (until 1982-std.); side-discharge exhaust introduced. Manufacturer colors change color code names. 4-wheel disc brakes introduced.
1966	27720	427 cu in (7.00 L) Big-Block V8 with unique bulging hood; 327 cu in (5.36 L) 300 horsepower (220 kW) small block V8 standard. Head rests, 4-way hazard lights, day/night rear view mirror were not standard but were factory options.

Vettes on the Plains
Judging Guidelines

This is a judged show. You will be judged on how clean your car is, inside and out. Your car will not be compared to the car next to you.

This year we are awarding First, Second and Third Place awards, therefore judging will be more stringent in all areas.

When your car is ready to be judged, place the “Ready to be Judged” sheet on the dash and open the driver’s and passenger’s windows. Put **COMPLETED** judging sheet on driver’s seat.

Hood **MUST** be open or 25 points will be deducted
Hatch/Trunk (where applicable) **MUST** be open or 2 points will be deducted
Judges will open driver’s side door if not already open/ajar.

The following is how your car will be judged:

Exterior:

Cleanliness (dirt, dust, bugs, tar, wax residue) Windshield, mirrors and back glass (free of smudges). Exhaust Tips. No deduction for paint chips or chips in windshield.

Wheels & Tires:

Cleanliness of wheels (free of dust, dirt, smudges, road tar).

Cleanliness of tires (reasonably clean, free of blemishes, free of stones).

Cleanliness of wheel wells (free of dirt, sand, gravel).

Interior:

Cleanliness of general interior (free of dirt, sand, debris).

Floor Mats (free of dirt, sand, debris).

Cleanliness of seats, dash, visors (free of dirt and dust, reasonably maintained).

Windshield, rear view mirror, back glass (free of smudges).

Engine:

Cleanliness of engine (free of oil, dirt, sand, smudges, dull or unpolished trim work).

Cleanliness of engine compartment (free of oil, dirt, smudges).

Cleanliness of frame rails (free of sand, rock, dirt).

Cleanliness of electrical harnesses and hoses (free of oil, dirt, smudges).

Judge’s Decision Is Final

20th Annual Summers End Corvette Show ROGERS Arkansas

AUGUST 26 TH & 27TH, 2016

Come sign up and join Joe Campbell & other CCKC members for a relaxing weekend trip to Rogers Arkansas to participate in one of the premier corvette shows in the Midwest. It's only about 200 miles south of KC on Highway 49 (was Highway 71). Our host hotel is the Holiday Inn & Convention Center in Springdale AR. A special rate of \$91 per night is available for the show by calling 1-479-751-8300 or 1-877-410-6667 (please reserve early as the rooms with the special rate do sell out!).

Enjoy a leisurely drive to Arkansas, with a stop at the famous Macadooles. Spend a laid back relaxing Friday afternoon with over 150 corvette enthusiasts, enjoy a cookout, share a few war stories, relax with the live entertainment and detail your corvette or enjoy one of the many tours in the area including the world famous Crystal Bridges Museum of American Art. Saturday August 27th display your corvette at the show in Pinnacle Hills Mall in Rogers (14 classes), ladies enjoy the fashion show at Dillard's then cap off the evening with the award banquet and dance with the Mike Mayberry band. Additional details at www.nwacorvetteclub.com

Schedule of Events

Friday, August 26

Registration & Reception
