10 - Harold & Eileen Benskin
15 - Robert and Thelma Hill
17 - Dan & Kay Boyd
18 - David & Pamela Potter
26 - Clarence & Gwyn Hill
30 - John & Carol Hamblin
31 - Mike & Lee Ann Miller
31 - Vernon & Karen Pauls

Correction:

The Editor failed to mention that Lloyd LaTurner won Best of Class with his Callaway C6 at the KCCA Hendrick Chevrolet Corvette show on May 1st.

A Note to CCKC from Bob and Terry Henn:

Since we will not be able to attend the June and July meetings, Terry and I wanted to personally thank each and every one of you who has expressed their sympathies to our family. We lost our beautiful daughter in law Megan on May 11th and Terry lost her mom on May 18th. The outpouring of kindness from our CCKC members has been heartwarming and deeply touching. Thank you all so much for the cards, Facebook postings, and most importantly, your prayers that you have offered up for our family. We are humbled by the love and sympathy you have shown our family. God bless you all and thank you from the bottom of our hearts.

Bob and Terry Henn

**Guest Speaker Schedule:**

JULY- *Hendrick Chevrolet* (Robert Weigers & Bernie Smith). They will be discussing the benefits of our club's corporate sponsor....buying a Corvette from Hendrick and getting your Corvette serviced at Hendrick. Plus, club discounts available to members at Hendrick Chevrolet.

AUGUST-*Mid America Motorworks* (Mike Yager). MAM is from Effingham, Illinois. This company carries and supplies replacement parts for years of Corvette! Mid America Motorworks will talk about their company, the benefits of purchasing from them. Plus, they will discuss their HUGE annual show called Corvette FunFest, which is in mid-September this year.

SEPTEMBER-*NCRS* (Harry Ledgerwood). Harry is the President of the Kansas City chapter of the National Corvette Restorer's Society. He will be giving a presentation about what the NCRS means to a Corvette owner, how you can join and how being a member of both the CCKC and the NCRS is beneficial.

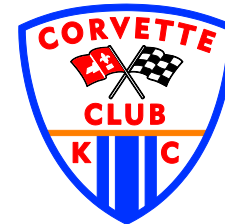

OCTOBER-to be determined. We are working on getting someone from the National Corvette Museum to come to speak.

June Activities:**Hendrick Corvette Show**

Seventy-nine Corvettes were registered for the 2015 Hendrick show on June 5th and the weather was close to perfect. Forty-four of the registered cars belonged to CCKC members with the balance representing several other clubs and non-affiliated owners. Even with registration fees dropped \$5 from 2015 registration rates net income was

slightly above 2015 levels due to effective cost control and proceeds from the silent auction and bake sale. Thanks to Chuck Levenson for coordinating the show and all of the volunteers that helped.

Both Lloyd LaTurner and Jim Warren have had a good run with Lloyd taking Best of Class with his Callaway C6 at the KCCA show and Jim winning Best of Class for C7's at the same event.

Non-Club Member Awards

Bruce Singer	Best of Show
Ed Mortis	Best of Class C1 (Group A)
Harry Ledgerwood	Best of Class C2 (Group B)
Don Curtis	Best of Class C3 (Group C)
Chuck Tomas	Best of Class C4 (Group D)
John Gratton	Best of Class C5 (Group E)
Joey Bosel	Best of Class C5 (Group F)
Terry Wright	Best of Class C6 (Group G)
Mike Connidham	Best of Class C6 (Group H)
Bob Hesselfiv	Best of Class C7 (Group I)

Club Member Awards

Lloyd LaTurner	Best of Show
Edward Rose	Best of Class C1 (Group A)
Larry Saunders	Best of Class C2 (Group B)
Adam Hoehn	Best of Class C3 (Group C)
Joe Campbell	Best of Class C4 (Group D)
Darrell Prock	Best of Class C5 (Group E)
Jeff Moss	Best of Class C5 (Group F)
Steve Shinnars	Best of Class C6 (Group G)
Henry Ninstil	Best of Class C6 (Group H)
Jim Warren	Best of Class C7 (Group I)

Lakeview Village Cruise

Barb Kerns coordinated a Flag Day cruise for Lakeview Village and was pleased that 14 Corvettes showed. Dinner was served and Fox 4 News covered portions of the event. Thanks to all that participated.

City Market Cruise

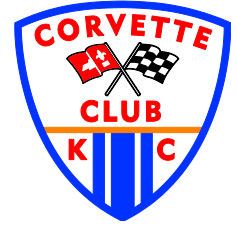

Father's Day turned out to be a fun day for CCKC members that participated in this Cruise on June 19th! Ten cars registered for the event and cruised to the Farmer's Market in Downtown Kansas City. Approximately 19 people attended the event coordinated by Steve Garret and included a couple of new members! We were able to set up our Corvettes in the courtyard area of the Farmer's Market. It was a great turnout for a Father's Day Sunday and everyone that attended the event had a great time. We might do this again!

Culver's Cruise

The second Culver's Cruise of 2016 took place on Tuesday, June 28th with 18 Corvettes and 30 people in attendance including a new member with his NCRS certified 69.

**June Minutes:**

On Wednesday, June 15, 2016, at 07:00 PM, the CCKC meeting held at Uncle Buck's/Bass Pro was called to order by President Jim Cahill. There were approximately 62 people in attendance. Hendrick was not represented. Jim Cahill reported there were 80-cars at the club show at Hendrick; he thanked Chuck Levenson for all of his hard work in putting the show together. Jim reminded all that he was selling tickets for last years' club NCM banner; if interested see Jim.

Vice-President: Steve Garrett explained the evening's raffle items; donations were received from Hendrick and Jim Cahill. We raised \$137 from the raffle. Steve also gave us a preview of the speakers he has arranged for upcoming club meetings: Robert Wiegers, Sales Manager of Hendrick Chevrolet-July club meeting; Mike Yager of Mid America Motorworks-August club meeting; and Harry Ledgerwood of NCRS (National Corvette Restorers Society)-September club meeting. Steve introduced this month's guest speaker, Rob Howard, President of KC Auto Gifts & Accessories. Rob and his wife Laura are the owners; Rob spoke to us about his business, its history, and how he started his business.

Membership: Chris Shinnars reminded those present she has several unclaimed name badges, please see Chris for your name badge. Chris announced there were five couples joining CCKC in the past week; she introduced the new members: Kal & Makaila Dulke, Raymond Gierstikas & Lucinda Franke, Robert & Stefanie Culley, and Bill & Debbie Santa Maria. Chris explained the Executive Committee was working on three initiatives as a result of the feedback from the club survey. Those initiatives were: 1) secure a

coordinators for club volunteers 2) determine and coordinate fun activities for the women of the club 3) spotlight a club member at the meetings. Chris advised CCKC membership is currently at 200+.

Secretary: Carol Schwartz obtained approval of the May 2016 meeting minutes with the following revision from what was published in the Hi Beams; December CCKC Gala Event; the new Social Chairperson is Marie Burns, assisted by Eileen Benskin, Linda Downing, and Chris Shinnars. Also, Barb Kearns' former employer/law firm donated one pass to the Speedway which was raffled at the meeting. Carol Schwartz also announced her resignation as Secretary of CCKC due to family obligations.

Treasurer: John Southerland presented the current financial report including a summary of receipts and disbursements for the month. He reported 79 people registered for the Hendrick show (82 registered in 2015). Of the 79 registrants, 44 were CCKC members. Guest registrants were from KCCA, S. Central Nebraska, Touch of Glass, NCRS, Leavenworth, St. Joseph, and several without any club affiliation who were provided CCKC membership information. John reported registration income from the Hendrick show was less than 2015 primarily because the 2016 entry fee was \$5 per car lower than the 2015 registration fee. Expenses were well controlled by Chuck Levenson with a resulting net club income slightly in excess of the 2015 Hendrick show. CCKC's net charity income exceeded that of 2015 due to a successful Silent Auction and Bake Sale. Our charity income at the present time exceeds \$2000; it includes proceeds from the club's monthly raffle, special Speedway raffle, and the 50/50 raffle.

Ongoing charity items include NCM raffle ticket sales and the cruise raffle tickets. The financial report was approved.

Jim Cahill reported we raised money from the ADA Fundraising and Auction items but it was not as successful in comparison to the Zona Rosa show as there were too many large ticket items. Jim will have items from ADA fundraising at the Zona Rosa show and has requested items that should generate interest.

NCM (National Corvette Museum): Ambassador Adam Hoehn told us a story of a visitor to the museum which portrayed the passion of those employed at the museum. The visitor was queried over and over about his car and what could be improved; he ultimately reported a noise in the roof area which was repaired that day via a demonstration at the museum. Adam reported the club flag was purchased and should be on display.

Activities: Kathy Denning summarized the Lakeville Village Cruise on June 14; there were 14 cars. She thanked Barb Kearns, who reported the club participants to the event were on Fox 4 News the night of the event.

Upcoming Events/June:

June 18: City Market Cruise-Father's Day- Coordinator Steve Garrett

June 25: Freedom Festival, a non-club event

June 28: Culver's Cruise

Upcoming Events/July:

July 4: Lenexa Parade: Meet at Ray & Mary Newell's for donuts/coffee with a caravan to the parade. Barb Kearns will advise when she learns of the parade theme and our spot in

the line-up. Lunch at Zarda.

July 9: COR show, flyers were on the table. Joe Campbell announced the show is for all types of cars.

July 15-17-The Great Des Moines

Escape: coordinated by Arnie & Cynthia Sdano; flyers/sign-up sheet was on the table.

July 24: T-Bones game and car show coordinated by Todd Ford. A flyer is on the website

July 28: Culver's Cruise

Upcoming Events/August:

August 21: Cruise to the K-CANCELED! Linda Downing announced the Royals rules for this year's "Royals/Cruise to the K" states "all vehicles must be model year 2000 or older to participate." As many in CCKC, including herself would not be able to participate in the car show/ special ticket package prices, Linda will not be coordinating this event.

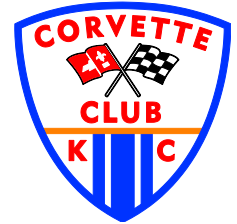

August 26 & 27: 20th Annual Summers End Corvette Show, Rogers, AR. Joe Campbell provided preliminary details; a sign-up sheet and flyers were on the table.

Upcoming Events/September:

September 10: Zona Rosa club sponsored car show

Old Business: Lloyd LaTurner won "Best of Show" at the Hendrick show; several people questioned why he did not also receive the "Best in Class" award? Chuck Levenson explained he didn't want to give out 2 trophies to the same person.

New Business: Gwyn Hill announced they are collecting old T-shirts to assist St. Michael's Veterans in making pull toys to benefit WaySide Waifs.

Julie Dailey was nominated and accepted the Officer position of Secretary of CCKC, all members present approved.

Jeff Moss reminded all that if you change your email or want your anniversary or birthday published you need to notify Chris Shinnars, Membership Chairperson. Jeff updates Hi Beams and mailing lists using the master list maintained by Chris.

The meeting adjourned at 8:17 PM.

Respectfully submitted,
Linda Downing, acting Secretary for the evening for CCKC

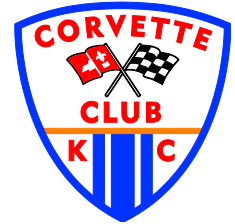

Tech Talk/News – Jeff Moss:

A member sent me a note about a foaming sprayer for car washing that cost significantly less than what you would pay for a foaming sprayer from one of the recognized detailing leaders (about \$20.00 to \$30.00 depending on where you shop vs. \$99.99 from a leading detailing company). Seemed like a good deal, maybe too good so I did a little research via product reviews and as is often the case it appears you get what you pay for. The “economy” option was often reported to leak and, more importantly, multiple reviews indicated it had to be filled twice to wash one vehicle whereas the high dollar option only required 2 ounces of soap. Given the cost of a decent car wash detergent the “economy” option may prove to be a false economy.

C3 Production Data¹

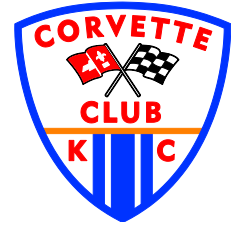

Year	Production	Notes
1968	28566	Third generation (C3) begins; New body and <u>T-top</u> removable roof panels, new interior, engines carried over, three-speed Turbo Hydra-matic replaces two-speed Powerglide as automatic transmission option.

¹ https://en.wikipedia.org/wiki/Chevrolet_Corvette

1969	38762	First year of the 350 cu in (5.7 L) <u>Small-Block</u> ; longer model year extended to December, 1969 due to delay in introduction of 1970 model; "Stingray" front fender nameplates added, new interior door panels and inserts, 17-inch black-vinyl steering wheel (replaced 18-inch wood-rim wheel).
1970	17316	First year for the <u>LT-1 Small-Block</u> and 454 cu in (7.44 L) <u>Big-Block</u> ; three-speed manual transmission dropped and four-speed manual became standard with Turbo Hydra-matic available as no-cost option with all engines except LT-1 350; posi-traction made standard equipment; introduced along with the second-generation <u>Chevrolet Camaro</u> on Feb. 26, 1970, new egg-grate metal front grills and fender grills, lower molded fender flares, new hi-back seats and interior trim, new custom interior option includes: leather seat trim, cut-pile carpeting, lower-carpeted door panels and wood-grain accents.
1971	21801	Significant power drops due to reduced compression ratios to meet GM corporate edict requiring all engines to run low-octane unleaded gasoline; power ratings based on both "gross" and "net"

		figures with the former based on engine hooked to dynamometer while "net" ratings based on power as installed in vehicle with accessories and emission controls installed..
1972	27004	Power ratings now advertised in SAE net figures, last year for LT-1 engine, front and rear chrome bumpers, removable rear window, and windshield wiper door.
1973	30464	5 mph (8.0 km/h) front bumper system with urethane cover, pot-metal front grills (black with silver edges), chrome rear bumpers unchanged, new design front fender ducts, first year for radial tires (standard equipment), rubber body mounts, new hood with rear air induction and under-hood insulation, new front-end (round) emblem. cross-flag gas-lid emblem deleted towards the end of the model year.
1974	37502	5 mph (8.0 km/h) rear bumper system with urethane cover to match previous year's front bumper, new recessed tail lamps and down-turned tail-pipes. 1974 is the only year with two piece rear

		bumper cover with center-split. No gas lid emblem was used. Aluminum front grills (all-black), dual exhaust resonators added, revised radiator cooling and interior a/c ducts, integrated seat /shoulder belts in coupe. Last year for true dual exhaust system, last year for the 454 big-block engine in a Corvette.
1975	38465	First year of <u>Catalytic converter</u> and single-exhaust, black (painted) bumper pads front and rear, redesigned inner-bumper systems and one-piece rear bumper cover, plastic front grills (all-black), amber parking lamp lenses (replaced the clear lenses on 1973–1974) new emblems, last year of C3 convertible.
1976	46558	First-year for steel floor-panels, cold-air induction dropped, new aluminum alloy wheels option, new one-piece rear "Corvette" nameplate (replaces letters).
1977	49213	Last year of 1968 flat rear glass design, Black exterior available (last year-1969), new design ""Corvette flags" front end and fender emblems. New interior console and gauges, universal GM radios.
1978	46776	25th Anniversary, New fastback rear window, Silver Anniversary

		and <u>Indy 500 Pace Car</u> special editions; Pace-car included sport seats and spoilers-front and rear, limited option-glass T-tops; redesigned interior, dash, instruments.
1979	53807	Sport seats (from the previous year's pace-car); front and rear spoilers optional, glass T-tops optional; New interior comfort features; highest Corvette sales year to date.
1980	40614	Lightened materials, new hood, front end with molded spoilers, rear bumper cover with molded spoiler and new tail lamps, Federal government required 85 mph (137 km/h) speedometer; California cars powered by 305 V8 and automatic transmission for this year only, last year for L-82 engine- (n/a with manual transmission).
1981	40606	Production is switched from St. Louis to new Bowling Green plant; 350 cu in (5.7 L) V8 returns in California cars, last year for manual transmission.
1982	26407	New cross-fire fuel-injected <u>L83</u> , New automatic overdrive

transmission; Collector's Edition features exclusive hatch rear window – is one fourth of production.

Judging Guidelines

This is a judged show. You will be judged on how clean your car is, inside and out. Your car will not be compared to the car next to you.

This year we are awarding First, Second and Third Place awards, therefore judging will be more stringent in all areas.

When your car is ready to be judged, place the “Ready to be Judged” sheet on the dash and open the driver’s and passenger’s windows. Put **COMPLETED** judging sheet on driver’s seat.

Hood **MUST** be open or 25 points will be deducted
Hatch/Trunk (where applicable) **MUST** be open or 2 points will be deducted
Judges will open driver’s side door if not already open/ajar.

The following is how your car will be judged:

Exterior:

Cleanliness (dirt, dust, bugs, tar, wax residue) Windshield, mirrors and back glass (free of smudges). Exhaust Tips. No deduction for paint chips or chips in windshield.

Wheels & Tires:

Cleanliness of wheels (free of dust, dirt, smudges, road tar).

Cleanliness of tires (reasonably clean, free of blemishes, free of stones).

Cleanliness of wheel wells (free of dirt, sand, gravel).

Interior:

Cleanliness of general interior (free of dirt, sand, debris).

Floor Mats (free of dirt, sand, debris).

Cleanliness of seats, dash, visors (free of dirt and dust, reasonably maintained).

Windshield, rear view mirror, back glass (free of smudges).

Engine:

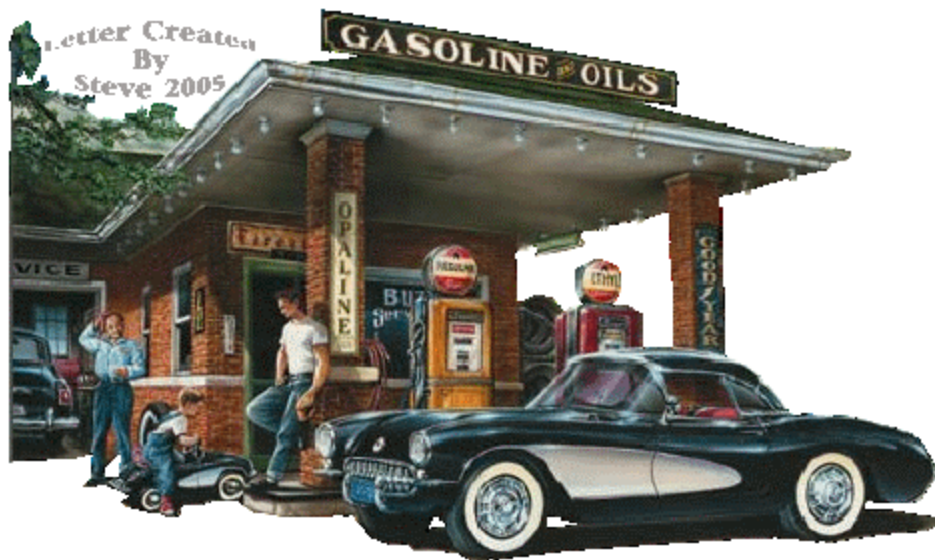

Cleanliness of engine (free of oil, dirt, sand, smudges, dull or unpolished trim work).

Cleanliness of engine compartment (free of oil, dirt, smudges).

Cleanliness of frame rails (free of sand, rock, dirt).

Cleanliness of electrical harnesses and hoses (free of oil, dirt, smudges).

Judge’s Decision Is Final

20th Annual Summers End Corvette Show ROGERS Arkansas

AUGUST 26 TH & 27TH, 2016

Come sign up and join Joe Campbell & other CCKC members for a relaxing weekend trip to Rogers Arkansas to participate in one of the premier corvette shows in the Midwest. It's only about 200 miles south of KC on Highway 49 (was Highway 71). Our host hotel is the Holiday Inn & Convention Center in Springdale AR. A special rate of \$91 per night is available for the show by calling 1-479-751-8300 or 1-877-410-6667 (please reserve early as the rooms with the special rate do sell out!).

Enjoy a leisurely drive to Arkansas, with a stop at the famous Macadooles. Spend a laid back relaxing Friday afternoon with over 150 corvette enthusiasts, enjoy a cookout, share a few war stories, relax with the live entertainment and detail your corvette or enjoy one of the many tours in the area including the world famous Crystal Bridges Museum of American Art. Saturday August 27th display your corvette at the show in Pinnacle Hills Mall in Rogers (14 classes), ladies enjoy the fashion show at Dillard's then cap off the evening with the award banquet and dance with the Mike Mayberry band. Additional details at www.nwacorvetteclub.com

up-to-date information
regarding the schedule of
events – www.lggpr.org*

The Track Event - A Group for every driver...

Group A - Top speed of 60 mph.

This is the gentlemen's group. There will be spirited driving if you like, but at a slower, more relaxed pace. Drive here if speed isn't your thing, if you don't have experience on a track, if you don't want to be pressured by cars behind you, if your car cannot go faster than 60 miles per hour, or, if your passenger is going to be shrieking in your ear that you are going too fast!

Group B - Top speed of 80 mph.

Drive here if you want spirited driving with some cars at the limit of their performance, at 80 miles per hour on the straights. Also consider this group if you have a powerful car but limited track experience. If your car is a classic with an engine with a displacement of 1,500 cubic centimeters or less this may be your group. Remember, as with all groups, there are more corners than straights.

Group C - Top speed of 100 mph.

This group is for cars that can easily get up to 100 miles per hour, have good handling and brakes, and have drivers that want to test their skills. Cars in this group will be powerful classic sports cars whose drivers have track experience. Some V6 engines may be at home here as well as V8's that will run conservatively. You will be pushed by cars behind you, and you will be passed by some.

Group V - Vintage Race Cars.

This group will feature vintage race cars from the past. Cars in this group will be the old, fast sports cars. Speed will not be the focus of this group. It will be a chance to celebrate some of the fantastic cars of the track's history and time period. The cars will be hand picked by our organization.

Group H - Historical Sports Cars.

A very unique group of factory stock cars produced prior to 1960. These are slow sports cars. This group is by invitation only, but if you think you have a car that would represent well, please contact us.

Group E - Exhibition Race Cars.

This is an exhibition group reserved for race cars and drivers with racing certifications. This group is by invitation or application with acceptance only. This group will operate under more stringent rules aligned with established racing event rules – even though this group will not be racing!
