- 8 - Bob & Terry Henn
- 10 - Linda & Mike Downing
- 14 - Vicki & David Bledsoe
- 24 - Pam & Rick St Thomas
- 25 - Susan & Henry Ninstil

Guest Speaker Schedule:

SEPTEMBER-NCRS (Harry Ledgerwood). Harry is the President of the Kansas City chapter of the National Corvette Restorer's Society. He will be giving a presentation about what the NCRS means to a Corvette owner, how you can join and how being a member of both the CCKC and the NCRS is beneficial.

OCTOBER-NCM (Gary Cockriel). Gary, Development Officer with the National Corvette Museum, will make a presentation at the club's October meeting.

**August Activities:****Air Route Traffic Control Center**

Though August started slowly it ended with a great deal of club activity starting with a tour of the Air Route Traffic Control Center hosted by Clarence and Gwyn Hill on Saturday, 8-20.

Thirty-nine members brought 21 cars to the event. Following a detailed Q&A with one of the center's training officers we were brought into the center to view the training area and visit with a staff meteorologist. Following the tour many members drove to Jumpin Catfish for lunch. Thanks to Gwen and Clarence for putting this event together.

**Culver's Cruise**

On Wednesday, August 24th, 26 members brought 18 Corvettes to the evening cruise hosted by Bob Henn and Henry Ninstil. The food was good and many members were able to verify that the windshield wipers did work on their cars when driving home.

Summers End Corvette Show 8-26 & 27

On a rainy Friday morning late in August 11 cars from our Club made their way to the Summers End Corvette Show in Rogers Arkansas. The weather on the trip down destroyed most of the advance detailing that had been done, but didn't destroy their spirits. The Kansas Caravan discovered a new route to Rogers which utilized 260th Street South in Pittsburgh. One of the caravans, consisting of 4 corvettes, visited the Crystal Bridges Museum in Bentonville AR and enjoyed the house designed by Frank Lloyd Wright recently relocated to the Museum site and several other exhibits at the Museum.

The weather on Friday limited most of the detailing to washing their cars with the new Adam's Foam Gun, so they had plenty of time to meet some of the folks from the Lone Star Corvette Club from Texas and other corvette folks from surrounding states. The evening weather allowed everyone to enjoy the entertainment on the patio and the cookout provided by the show sponsors. Early Saturday morning the group arrived at the Show and immediately started cleaning their cars.

These efforts really paid off with 8 corvettes winning Class Awards and one corvette winning Best of Class for a total of 9 awards out of 10 cars that elected to be judged. We also came within one corvette of winning the Club Participation Award. Everyone seemed to enjoy the Mike Mayberry Band at the Saturday night Awards Banquet and all the efforts that the Northwest Arkansas Corvette Club had put into this year's show.

Award Winners:

Class Awards

Jerry Adams (C-7 Class)
 Jim & Marie Burns (C-6 Class)
 Harold & Eileen Benskin (C-6 Class)
 Gill & Liz Campbell (Z06 Class for Jakes)
 Mike & Linda Downing (C-6 Class)

Ron Gibbs (C-6 Grand Sport Class)
 Richard Hudson (C-6 Z06 Class)
 Chuck & Katie Levenson (C-6 Class)
 Best of Class Joe & Page Campbell (Late C-4 Class)

Joe Campbell

**Cars and Coffee**

Despite three days of wet weather 9 members brought 6 cars to the "Cars and Coffee" cruise on August 27th. Kudos to Bob Henn for initiating the club's first run at this event. Future club participation is under consideration.

**August Minutes:**

On Wednesday August 17, 2016 at 7:05pm the meeting was called to order by President Jim Cahill at Uncle Buck's/Bass Pro Shop. There were 100 members and guests present.

President Jim Cahill requested that if we haven't yet signed up for the Zona Rosa car show, please do so. This is your last chance for the \$40 entry fee. We need your support.

Tonight we have two representatives from Hendrick Chevrolet: Robert Wiegers and Misty Shelley.

Vice President: Steve Garrett introduced Robert Weigers. Robert Weigers thanked us for our support at the Hendrick car show. He encouraged us to let them know if there's anything they can do for us. He introduced Misty Shelley who will be the new liaison to our club. Robert said they are changing the direction of what they are doing. Robert will be retiring soon. He said the Z06 is selling really well. The new Grand Sports have arrived and they have four of them in stock with 52 more inbound.

Steve Garrett told us not to hesitate to go talk to our corporate sponsor.

Steve said that next month our speaker will be the president of NCRS. October's speaker will be someone from the National Corvette Museum. These will be great presentations, please come.

Jim Cahill reported that we have a lot of auction items tonight. Also, we will be raffling off our original CCKC banner. The drawing will be held at the Zona Rosa car

show.

Membership: Dianne Keith is standing in for Chris Shinnars tonight. There are 100 members and guests present tonight. She said we now have 208 members. Tonight we have three visitors besides Mike Yager.

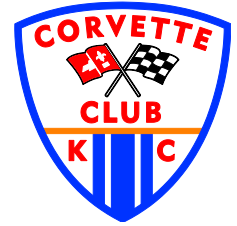

Guests attending tonight are:

Jared and Pat Chance, Bill Bundrant, who has a 2010 ZR1 and Natasha Burgert who just bought a 2016 Corvette.

Dianne told us that Chris Shinnars is working up a description for the Volunteer Coordinator position. Chris also compiled a list of places for our ladies to go and have fun; please feel free to take one of these lists.

Treasurer: John Sutherland reported that we spent more money this month than we had coming in. The money we spent was on Zona Rosa preparation and on holiday party preparation. There was a motion to approve and seconded.

Gwyn Hill made a special request for a charity expenditure. Normally, an expense request would wait until the end of the year but this is a special situation. The second building of an original 4-building complex design is to be opened October 30. They need trash cans, cookie sheets, trash bags, shower mats and utensils for the units. Gwyn requested we purchase the 59 thirty-gallon trash bins for the new building and have them delivered before October 30. The other items will hopefully be provided by members and other supporters of St. Michaels. Walmart offers free delivery and since we are a nonprofit, no tax on these items. It would cost \$772.80.

Jim Cahill believes this is a good thing to do because we never know what our dollars are being spent on and this way, we can see the good that we are providing. Motion made and seconded.

Adam Hoehn, NCM ambassador discussed the NCM Anniversary Event on September 2-4. This is his favorite event. The Hall of Fame will have all past inductees at a round table. The event will include a walk around of the new 2017 Corvette, plus the Corvette Development Team, and the Hall of Fame inductee speeches. Today is the last day for pre-registration. Adam reminded us that if we go to [smile.Amazon.com](https://smile.amazon.com), one half of a percent will be donated to our charity of choice, hopefully the NCM.

Secretary: Julie Dailey obtained approval of the July 2016 minutes as published in the Hi Beams. There was a motion to approve and seconded.

Activities: Kathy Denning reported that this Saturday we are having a Kansas City Air Traffic tour and afterwards lunch at Jumping Catfish.

The Culvers cruise will be on Wednesday August 24, the fourth Wednesday of the month. Kathy will send out a reminder email.

August 26-28 is the Summer's End event in Rogers, Arkansas. Please sign up if attending. This is a great event; everyone can stay in the same hotel, socialize, tour the Crystal Bridges museum. If interested, please sign up. The group will depart at 7 AM from McDonald's. Joe Campbell has some free tickets for the Frank Lloyd Wright museum if you are interested. Mention COR and your phone number

on your registration to get the club rate. 20 folks have signed up so far.

August 27 is Cars and Coffee at 119th and Metcalf, Rosana Square. Meet at McDonald's at 119th and Metcalf at 7:15 AM. At 7:30, we will drive the 500 feet to the show together.

September 10 is our Zona Rosa Corvette show. Pre-registration ends August 20; the sign-up sheet is on the table. If you have any questions, talk to Lee Burkhead. We do need silent auction and raffle volunteers.

Jim Cahill reminded us that St. Michael's is our charity and we raise money for our charity at the car shows and with our raffles. We need 100 cars to attend Zona Rosa. We had 80 at the Hendrick car show. \$40 is not a lot to spend to attend a car show. KCCA charges \$35 just to park at their car show. Our car show offers a barbecue and a good time. Please come. Please support our two major car shows.

Jim told us that our silent auction includes signed items from the Royals. We hope to have 35 items. Whatever profit we make is pure profit to our charity.

Kathy reported on upcoming events: September 15 - 18 is Funfest in Effingham Illinois.

September 25 is the Lincoln NE car show; see the sign-up sheet.

October 8 -Chuck Levenson will host a Fall Color Run to Atchison and a Ghost Tour day trip.

Rick Eisberg noted that the Cruise to the K is only for older cars this year.

Todd Ford talked about the tour of the Fairfax plant that Justin Eager is pulling together. It will be in October, he's not sure of the date yet. See the sign-up sheet.

Dianne Keith reminded us that this is our last chance to buy a cruise ticket for the cruise raffle. See Dianne if you wish to buy a ticket. While ticket sales have been very successful, your chance to win is still very good.

New Business: Jerry Keith has been asked to expand the speaker system for our shows. He's looking to add two additional speakers, cabling and stands. If you want to see specs, let him know. The price is approximately \$800 for the two speakers, a hundred feet of cable and the stands.

Lee Burkhead said we might be able to find something less expensive online or buy local. New equipment would be more versatile. Last year we spent \$325 to rent the PA system and now that cost has risen to \$375. Buying equipment would save money in the long run.

Chuck Abbot wants to know if we will have storage for the equipment. Loy Hickman has allowed us to store our stuff in his Gardner airport hangar but it is not temperature controlled. Motion made to approve and seconded. Motion passed.

Steve Garrett reports that we pulled in \$138 from the raffle tonight. Steve is going to be the MC at Funfest this year and

he will lead the Fun Run. This is his second year as Funfest DJ.

Steve introduced our guest speaker, Mike Yager of Mid-America Motorworks, who gave us some interesting technical information about spoilers versus splitters, wheel deflectors, spats, front canards, and wicker hypertuning. Mike said, with Corvette clubs, you come for the cars but stay for the people. He gave us a slideshow history of MAM and showed pictures of the MY Garage Museum (MY stands for Mike Yager) which is on the MAM campus. Friday night at Funfest will showcase the 20th anniversary of the Corvette. A local band will play that night and Mike Yager also will be onstage with his guitar. Funfest is short for fun festival.

Mike gave a very enjoyable presentation.

Raffle ticket sales were \$238 of which \$25 goes as a raffle prize.

The meeting was adjourned at 9 PM.

Respectfully submitted,

Julie B. Dailey, EA

Tech Talk/News – Chuck Levenson:

- 1) 1984 to 1987 C4 Corvettes had a problem with the headlight motors, often referred to as “winking” that

was caused by failure of a nylon gear and resulted in the motor failing to open or close a headlight. Kits are available from different companies that offer a bronze replacement gear. The link below will open step-by-step directions and part numbers from Zip Corvette.

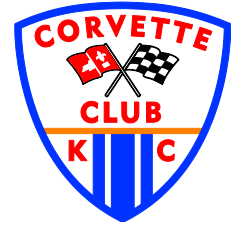

<http://www.corvettemagazine.com/tech-articles/1984-1987-corvette-headlight-motor-gear-replacement/>

- 2) GM has issued Service Bulletin #15-NA-016 to address a creaking or snapping noise above the windshield when driving 2014/2015 Corvettes. GM will replace the strikers and locating pins. The link below provides more detail.
- <http://www.corvetteactioncenter.com/tech/knowledgebase/article/2014-2015-corvette-service-bulletin-creak-or-snap-noise-above-windshield-from-removable-roof-lift-off-panel-while-driving-1276.html>

C5 Production Data¹

Year	Production	Notes
1997	9752	Fifth generation (C5) begins; LS1 engine is new; the hatchback coupé is the only body style offered.
1998	31084	Convertible C5 debuts with the first trunk in a Corvette convertible since 1962; Indianapolis 500 Pace Car replica offered; Active Handling System introduced as optional equipment.
1999	33270	Less-expensive hardtop coupé nicknamed the “Billy Bob” and precursor to the C5 Z06 is offered.
2000	33682	Newly styled alloy wheels debut.
2001	35627	Hardtop coupé body style becomes top-performance Z06, utilizing the new LS6 engine and suspension improvements; Second-Generation Active Handling System becomes standard equipment on all models; slight (5 bhp (3.7 kW)) increase in base model engine power.
2002	35767	20 bhp (15 kW) increase for the Z06 to 405 bhp.

¹ https://en.wikipedia.org/wiki/Chevrolet_Corvette

2003	35469	50th Anniversary Edition package offered for Coupe and Convertible base models; F55 Magnetic Selective Ride Control Suspension supersedes F45 Selective Ride Control Suspension as base-model option.
2004	34064	24 Hours of Le Mans Commemorative Edition package offered for all models.

up-to-date information
regarding the schedule of
events – www.lggpr.org*

The Track Event - A Group for every driver...

Group A - Top speed of 60 mph.

This is the gentlemen's group. There will be spirited driving if you like, but at a slower, more relaxed pace. Drive here if speed isn't your thing, if you don't have experience on a track, if you don't want to be pressured by cars behind you, if your car cannot go faster than 60 miles per hour, or, if your passenger is going to be shrieking in your ear that you are going too fast!

Group B - Top speed of 80 mph.

Drive here if you want spirited driving with some cars at the limit of their performance, at 80 miles per hour on the straights. Also consider this group if you have a powerful car but limited track experience. If your car is a classic with an engine with a displacement of 1,500 cubic centimeters or less this may be your group. Remember, as with all groups, there are more corners than straights.

Group C - Top speed of 100 mph.

This group is for cars that can easily get up to 100 miles per hour, have good handling and brakes, and have drivers that want to test their skills. Cars in this group will be powerful classic sports cars whose drivers have track experience. Some V6 engines may be at home here as well as V8's that will run conservatively. You will be pushed by cars behind you, and you will be passed by some.

Group V - Vintage Race Cars.

This group will feature vintage race cars from the past. Cars in this group will be the old, fast sports cars. Speed will not be the focus of this group. It will be a chance to celebrate some of the fantastic cars of the track's history and time period. The cars will be hand picked by our organization.

Group H - Historical Sports Cars.

A very unique group of factory stock cars produced prior to 1960. These are slow sports cars. This group is by invitation only, but if you think you have a car that would represent well, please contact us.

Group E - Exhibition Race Cars.

This is an exhibition group reserved for race cars and drivers with racing certifications. This group is by invitation or application with acceptance only. This group will operate under more stringent rules aligned with established racing event rules – even though this group will not be racing!
