Hi Beams

Members tour historic homes at Fort Leavenworth

Eleven CCKC members met for lunch at Abuelo's in Zona Rosa on Sunday, April 30, and then cruised to Leavenworth, Kansas for the Fort Leavenworth Historic Homes Tour. The historic homes are open to the public only twice a year: in the spring, and again in fall for the haunted house tour.

We were greeted by a parade of horses, which usually are active in a fox and hound hunt. However, on this rainy day, the fox was hidden in a safe place as not to be hunted. This was a special treat for the members to see the horses up close.

About 13 houses were open for members to view. The tours mostly were led by the residents of the homes. Many of the hosts and hostesses offered refreshments before showing us the special features of the homes and the furniture that stayed with the house.

The rain stopped while we were enjoying the tour and only began in earnest when we were on our way home. It was a good day to be together with our fellow club members for food and a good tour.

Cynthia and Arnie Sdano coordinated this event.

Next meeting: June 21, 2017

Derby Day event draws a party crowd

Saturday May 6 brought 35 members of CCKC to Bob and Terry Henn's house to celebrate the 143rd running of the Kentucky Derby. The party was hosted by Terry Henn, Katrina Hannah and Teddie Farnsworth. These ladies did a fantastic job of planning and coordinating the event.

The weather was perfect for the ladies to display their finest Derby hats, and some of the men were equally well dressed. Prior to the race we drank mint juleps and ate chicken with honey biscuits. Everyone pitched in and brought some delicious side dishes. A little friendly wager preceded the race.

After we watched the race and collected our bets, it was time to enjoy a beautiful Derby-inspired cake (made by a student in the Hospitality program at JCCC) that displayed the Club logo. Everyone reported they had a great time and said they'd like to do it again next year.

CCKC Corvettes head back to Bowling Green

Early Saturday morning on May 13, seven Corvettes with 14 people left Overland Park for adventures in Bowling Green, KY. This trip was the Club's annual out-of-town Corvette trip led by Joe Campbell. Our early breakfast was supplemented by goodies and water provided by the Sdanos.

During the drive through Illinois, we saw lots of fields that were covered with water and a "Viper on a Stick (pole)" at a car dealer in Evansville, which was just across the street from a Howard Johnsons Fireworks Stand (the ice cream business must have been bad).

On Sunday we celebrated Mother's Day at Rafferty's before going to the National Corvette Museum for a guided tour. At the end of the tour, we noted an unusual white and blue Corvette in the area where they prep the cars for museum delivery. We asked about this car during our return to the museum on Monday, and were told "what Corvette?" as if it didn't exist; but Chuck Levenson has a picture of the non-existent Corvette (We think it might be one of the Corvettes being prepared for use by the

Indianapolis 500 executives.). Sunday was to end with a tour of the Lost River Cave, but the recent floods prevented our visit, so everyone adjourned to the motel for an informal gathering with refreshments and lots of Corvette war stories.

On Monday, the group met at the Corvette Assembly Plant for a guided tour featuring production of the 2017 Corvette. Following the tour, we visited the new Motorsports Park to exercise our Corvettes. We didn't set any track records, but our group really enjoyed this experience, as evidenced by the smiles on each face. A box lunch was furnished to our group as a part of the Museum tour package.

Afterwards some of the group departed under the guidance of Arnie Sdano to cruise the Great Smoky Mountains. Arnie reported they had great weather, good road conditions, no speeding tickets, wonderful companionship, and nothing to add to the "Tree of Shame." They found the Lodge at Tellico to be delightful, and the Cherohala Skyway to be the perfect warmup for running the Tail of the Dragon. They all left with a strong desire to return as soon as possible.

May Minutes

On **Wednesday May 17, 2017** at 7:00pm, the meeting was called to order by President Steve Garrett at Uncle Buck's/Bass Pro Shop. There were approximately 65 members present.

VP John Hamblin showed us the raffle items for tonight's raffle. Raffle items were donated by Uncle Buck's, Hendrick, Tom & Barb Kearns and John Hamblin.

Adam Hoehn, NCM ambassador, gave us a report on the Corvette Birthday Bash that took place April 26 – 29, 2017 in Bowling Green, KY. He told us about the speakers he heard. He reminded us to use smile.Amazon.com when shopping Amazon so that ½ of 1% of our purchase can be donated to the charity of our choice, hopefully the NCM.

Misty Shelley from our corporate sponsor, Hendrick, said they have sold 400 Corvettes and they appreciate our business. They have a great deal on a 2016 Z51 automatic, white on black with chrome rims.

Their 2017 inventory right now includes a Z51, 4 Grand Sports and 8 Z06 models. She told us the KCCA show had a great turnout of over 100 people coming through the gate. They hope for a better turnout for our show. Hendrick will be at Bloomington Gold and also at Eureka Springs. Please refer your friends to them...they do have cars in stock besides the Corvette.

Steve Garrett reminded us that if your refer someone who buys a car at Hendrick, both you and the club will get a \$100 referral fee if you let them know at the time of the purchase.

Steve Garrett told us that he participated in the KCCA show at Hendrick and that although they had a great turnout, he wasn't all that impressed. He reminded us that we do need to have a good turnout so PLEASE sign up.

Secretary Julie Dailey obtained approval of the April 2017 minutes.

Treasurer John Southerland reported the income and expenses for the month. The Treasurer's report was approved.

Chris Shinnars, Membership Chair, reports that we have 2 new members; total membership is now 185. New members are: Ken Morris and Robert Brockman.

Chuck Abbott asked what we could do to get more members to attend our meetings. We had a short discussion about it and we recognize that some people just don't like coming to meetings.

Activities Chair (Fun Director) Cynthia Sdano told us that in most organizations only 1/3 are active and that with about 180 members and about 60 members present, we are on track. She thanked event chairs for events of the past month and she told us of upcoming events and reminded us to check the sign-up sheets.

All GM Car Show is May 20, 2017 from 8 am – 3 pm. This is a non-club event.

Culver's Cruise is May 25, 2017 from 5 pm – 7 pm. Culver's is at 8600 W 135th Street in OP.

KC Cars & Coffee is on May 27 at Rosanna Square. Meet at 7:15 at McDonald's at 7124 W 119th Street, OP, KS.

June 4th - CCKC's Hendrick car show; 8 am – 3 pm. We are still collecting donations for the raffle. NCM gave us a gift to auction off at our show. We were reminded to bring our money so we can bid on raffle items. John Hamblin reminded us that we now have a credit card reader so credit cards are welcome. Chuck reminded us that in order to park with the Corvettes, you must register and pay the registration fee.

Jim Juliff is hosting the June 10th – 11th trip to Ankeny Iowa; this is an overnight trip to view a private car collection. The collection consists of all convertibles made by GM from 1912 – 1975; a 250-car collection. The hotel is in Urbandale. Return Sunday morning. Tonight is the deadline to sign up and book your hotel by Friday May 19.

Trip to Jamesport June 17 at 8:30 am: Event hosts John and Donna Stevenson. We will visit an Amish furniture store where there is an open house. Ice cream. Then we will do lunch and then to the bakery.

Our next club meeting is June 21st at Uncle Buck's/Bass Pro Shop.

Culver's Cruise is June 22, 2017 from 5 pm – 7 pm.

The 4th of July parade on July 4, 2017. Meet at Ray Newell's house for coffee and doughnuts at 8 am. Staging is at 9:30, the parade is at 10 am. Please decorate your car. After the parade, lunch at Zarda. Also, remember that Zarda gives a 10% discount to seniors. The front room is reserved for our club. We will stage prior to arriving at our line-up spot so that our red, white and blue Corvettes will be staggered and at the head of the group.

Our summer picnic will be at Shelter #8 at Shawnee Mission Park. Please see the sign up sheet. The pavilion is large enough for 180 people. Private parking for up to 63 cars with an overflow lot across the road for 33 more cars. Zarda is catering the picnic. Please bring your own (non-alcoholic) drinks as well as an appetizer, chips or dessert to share. We will have prizes and games. Bring a chair, if you wish. After the picnic, Theatre in the Park is just up the road, for anyone who wishes to attend the performance. The show will be Beauty and the Beast and cost to get in is \$\$8 (\$6 for kids, 3 and under free). Bring a blanket or chair to sit on for the show.

Rogers Arkansas Corvette show is August 25th.

See our website for event flyers for these events.
www.corvetteclubkc.com

Steve Garrett has a friend at the WWI Museum and suggested we have an event there and invite our charity, St. Michael's, to be involved.

Gwen Hill told us that our club made a presentation of over \$7000 to St. Michael's with the primary purpose being to pay for transportation. As it happens, veterans can now ride the bus for free. St. Michael's will re-direct the money into ridesharing, excursions with veterans (i.e. to Royals games which will include a ticket and transportation). They are appreciative and are conscientious of how they are spending the money we donate to them.

There was no old business to discuss.

New Business: Fred Bybee says he has shelving for sale, if anyone is interested.

John Hamblin reminded us that we now have small CCKC club flags for sale for \$15. See John if interested. He reminded us that we also now have a credit card reader.

John Hamblin told us that for a year we have had a void as far as having a place where we can get club -embroidered clothing. We didn't need enough and the supplier didn't want to deal with such small quantities. John now has found someone who will provide clothing items to us.

Vicki Sinkler reminded us that our car shows are very important and that as a commitment to our club, members should register.

Steve Garrett said our guest speaker for tonight called in sick, so there is no guest speaker. The speaker will come next month and give a presentation on detailing.

Steve reminded us that if we don't have enough cars at our Hendrick Car Show that Hendrick may wind up combining our show with the KCCA Show. Even if you don't want your car to be judged, please wash it and come to our show.

Our raffle collected \$156; \$25 was deducted for the raffle leaving \$131 for our charity.

The meeting adjourned at 8:00pm.

Respectfully submitted,

CCKC Jamesport Cruise

Saturday, June 17th 2017

For the last several years, my wife and I have led our Gold Wing motorcycle group on a ride to Jamesport, MO. I hit a deer with my Gold Wing in 2012, and after that I decided to give up riding. Despite that, the group asked us every year to continue to lead the group up there, and we led them with our car. Last year we bought our C5 and led them with it.

Now that we belong to CCKC, we decided to offer an opportunity for our Corvette brothers and sisters to join us in a cruise to Jamesport instead of the Gold Wing group.

The trip is planned for Saturday, the day before Father's Day. We plan to meet at the QuikTrip at 9025 Johnson Drive, Merriam, KS 66202. It is right there at I-35 and Johnson Drive. We plan to get there at about 7:30 that morning and depart from there at 8:00 and head north on I-35.

We will travel 60 miles/60 minutes up to our first stop at Exit 54 (36 Highway) where we will turn right and then right again at the first traffic light. We will go to the Wendy's/Shell station. This stop is for a bathroom break only. We only plan to spend about 15 minutes there.

We will then continue north on I-35 to Exit 61 and turn right. We will follow highway 6 east about 30 miles to Country Heritage Furniture on the left side, just before we get to Jamesport. The owners are friends of ours who are Amish, and every year they have an open house that Saturday where they serve homemade ice cream and all the toppings for FREE. They have beautiful furniture inside to admire, and comfortable furniture outside on their long covered porch for us to sit and enjoy the ice cream. We will probably spend 45 minutes to an hour there, and then go to downtown Jamesport to enjoy an Amish meal.

After the meal, there are many shops there for people to enjoy, or for those who don't care to shop, there are benches to sit on to shoot the breeze and digest some good food.

When people have had their fill of shopping there, there is an Amish grocery store that is interesting, and they usually have some baby deer, or other such critters for us to pet and enjoy.

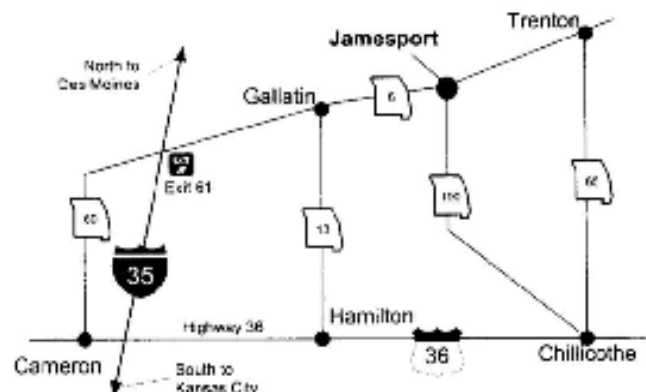

We are usually ready to head back south to Kansas City about 1:30-ish.

If you plan to join us, please sign up as soon as possible so we can give the restaurant a head count. They are a very popular place, and we want to make sure everyone who wants to eat, has an opportunity to do so.
