

CCKC Tour of Air Route Traffic Control Center

Kansas City Air Route Traffic Control Center
250 S. Rogers Road, Olathe, Ks. 66061
(Across the street from Big Lot Store)

Have you often wondered how the United States Air Traffic Control System operated? Since this organization is a vital part of our country's national security, have you thought about how it works to protect our country? What about the men and women who operate our National Airspace system, who are they? Well, if you join us **on Saturday, February 10, 2018, at 10:00 am** you can get answers to your questions and many more.

Members of our Corvette Club will tour the Kansas City ARTCC Facility one of 22-similar facility's in the United States. The Kansas City Air Route Traffic Control Center (KC-ARTCC) is in beautiful downtown Olathe, Kansas.

You must be signed up prior to **February 8, 2018** to participate in this tour. All attendees must be **US Citizens with proof (drivers license will suffice) and be at least 18 years of age.**

For pre-approval by the facility you will be required to provide the following information:

Full Name **Residence (City/State)**
Date of Birth **Place of Birth**
Are you a United States Citizen? Yes ___ No ___

You may sign up to attend this tour at the January Club meeting or email Gwyn Hill at dveeus2@gmail.com or Clarence Hill at dveeus11@gmail.com with the above information. Plan to arrive at the facility by 9:30am to allow time to be processed thru security.

Comfortable shoes and clothing is encouraged because of the short walking part of the tour. Lunch is planned after the tour in the Olathe area TBA. If you have any questions, contact Clarence /Gwyn Hill 816-550-1400. Natasha & CC Chapelle, Corvette Club members will be our guides at the facility.
